Substitute Stewards

A Substitute Steward shall be any person designated by the handler to act in the capacity of Steward during the entirety of that handler's test, and is bound by the same rules as the official Trial Steward. A handler shall notify the Trial Secretary and the Judge of the Name(s) of any Substitute Steward(s) before the beginning of the test exercises.

If a handler elects to perform the trial exercises with the Substitute Steward, a handling error by the Substitute Steward may result in a failing score for the exercise in which the error was made. An error by the Steward provided by the Host Water Trial Committee is not grounds for a failing score.

●NOTE: Entry fees are payable in **U.S. funds only**. If you send entries by express carriers, we suggest waiving the signature requirement for receipt; otherwise, entries may not be received in time. Entry forms may be photocopied or handwritten, but **MUST** include the signed agreement in its entirety, as well as all other handler/dog information. The entry must be signed by both the handler and substitute steward (if applicable). A separate entry form must be submitted for each dog.

●Water Trial Requirements - The water trials will be held in accordance with the provisions of the PWDCA Water Trial Manual, as revised through 2021 (the "Manual"). Copies of the Manual may be downloaded free of charge from the PWDCA website (www.pwdca.org).

●Equipment - Exhibitors may use their own equipment if approved after inspection by the judge or judge's designee unless the exercise requires the use of club equipment. Equipment will be available from the Host Committee.

●Substitute Stewards - A handler may substitute an individual of his/her choice to perform any or all of the functions otherwise assigned to a steward during that handler's test, provided that the individual selected has trained with the handler and dog in question before the trial. A substitute steward should be named in the handler's official entry form or, at the discretion of the judge and/or Trial Secretary, may be approved on the day of the trial no later than the end of the judge's briefing for the test level in which the handler is competing. In either case, the substitute steward must sign an official entry form acknowledging the "hold harmless" agreement before he/she will be allowed to participate in the handler's test. Substitute Stewards shall be responsible for knowledge of the Water Trial Rules and Guidelines and shall obey the Trial Judge.

●Safety shall always be of foremost consideration in actions and conduct by handlers at all times. Any person working a dog in or near the water and any Steward (Substitute or Official) must wear a USCG approved life vest and closed-toe footwear.

●PWDCA sanctioned water trials shall be open only to purebred Portuguese Water Dogs individually registered with the AKC or individually registered with a foreign registry organization recognized by the AKC or Portuguese Water Dogs with AKC PAL/ILP (Purebred Alternate Listing/Indefinite Listing Privilege) numbers. A dog must be at least six months of age on the day of the trial to enter the Junior Water Dog level and one year of age to enter the Apprentice level and above, unless the dog has successfully passed the Junior level. All dogs must be in good health and in proper condition for the test level in which they are entered.

●The minimum age for water trial participants is 9 years old. Participants between the ages of 9 and 18 must have a parent or legal guardian present at the site while they participate.

NOTICE TO EXHIBITORS

●Trial Levels Offered - Tests will be conducted for Junior, Apprentice, Working, Courier and Masters Levels. Dogs who successfully pass all exercises required in their test level will receive a Certificate or Title as appropriate from the Portuguese Water Dog Club of America.

●The PWDCTC will forward to the PWDCA Water Trial Committee, the records of all dogs who pass one or more test levels at this Trial. Certificates and/or Title Proclamations will be awarded to passing teams by the PWDCA after its review of the Trial Records. Portuguese Water Dog Club of the Twin Cities Rosettes will be awarded on the day of the Trial. Entry Fees - **\$40.00 Junior Certificate and ALL Titling and Masters Levels. Late entries or day of trial entries will be accepted after the closing date if the entry limit has not been reached. The fee for late entries and day of trial entries is \$45.00 ALL Levels. Make checks payable to PWDCTC.**

●Closing Date for Entries - Advance entries are due at the Trial Secretary's address on or before Tuesday, August 24, 2022 at 5:00 p.m.

●Limited Entry - Entries will be accepted in the order received. If more than 30 entries are received, entries will close on the day of receipt of the 30th entry.

●Order of Judging - On Saturday, levels will be judged in this order: Junior, Apprentice, Working, Courier and Masters. On Sunday, levels will be judged in this order: Masters, Courier, Working, Junior and Apprentice. Order of judging will be determined by a random drawing to be conducted after entries close on August 24, 2022. In the event more than 30 entries are received, those teams who are not selected to exhibit will be assigned to a waiting list in the order received.

●Bitches in Season: Bitches in season will be exhibited at the end of the day. The owner or handler of such a bitch must notify the trial secretary of the bitch's condition before the start of the day's judging. Bitches in season shall not be brought to the test area or the surrounding area until their handlers are instructed to do so by a judge or judge's designee.

●Judging Program - A judging program listing the time and order of judging will be sent by August 26, 2022. Additional directions to site, Trial personnel and other information will also be included.

●Refunds: Entry fees shall not be refunded in the event the dog is absent, excused by a veterinarian or judge, or barred from competition by action of the Trial Committee. If because of riots, civil disturbance or other acts of God beyond the control of the Trial Committee, it is impossible to open or complete the trial, no refund of entry fees will be made.

●There will be a \$30.00 service charge for any returned checks.
